

Pipers to Launch Season Here Friday with Rotan

The Pied Pipers will open their 1964 football season here Friday night when they host the Rotan Yellowhammers at Piper stadium. Kickoff time will be 8 p.m.

Coach D. C. Andrews and his staff have not been able to learn very much about the Rotan team they will face except that they will run from a

Wing offense and are expected to be a strong passing club.

Andrews said Tuesday that except for a couple of changes he will start about the same lineup as he did in the scrimmage against Clyde last Thursday evening.

Allen Cumble has been sick this week and Tommy Ferguson will probably start at the

wingback position in his place. Pat Batchelor has been moved to center and George Bonds to tackle.

At the other positions will be: Johnny Overman at quarterback, Rupert Compton at fullback, Robert Pearce at halfback, Mike Shivers at the split end, George Bonds at weak side tackle, Larry Simpson at weak side guard, Batchelor at center, Dan Bruner at strong side guard, Charles Prewitt at strong side tackle, and James Ledbetter at the tight end position.

Andrews said that he will probably make only two changes on defense. Robert Allen and Jesse Mendoza will come in on defense, replacing Overman and Batchelor.

Simpson, Pearce and Overman were elected captains for the year by the members of the squad this past week, according to Andrews.

This will be the first game to be played in Piper stadium with the visiting fans seated on the east side of the field in the new grandstands. The Piper band and the Piper Pep Squad will be seated in the West stands with the home fans this year.

Reserved seat tickets are still available for Friday night's game and may be purchased at the drug stores downtown.

Barber Shops Will Start Closing Sat. On September 12

Hamlin Barber Shops are making this announcement Saturday, Sept. 12, they will close on Saturdays rather than on Mondays as they have been in the past.

In making this announcement the local barbers said that they could better serve their customers by making this change.

Local shops to be closed on Saturday are Imperial, Service and Ideal.

P-TA Opening Meeting to be Held Tonight at 7:30

The opening meeting of the Hamlin Parent-Teachers Association will be held tonight (Thursday) at 7:30 p.m. in the primary cafeteria. This meeting is planned for a get acquainted time for teachers and parents.

Mrs. Jack Vaughan, president, will preside. The teachers and principals will be introduced by Mr. C. F. Cook, superintendent, and Marvin Carlton, junior high principal.

Mrs. Royce Womack will be the soloist for the entertainment portion of the program.

The refreshment committee includes Mmes. David Casey, George Poe and Horace Driver.

Plans for activities, projects and programs for the coming year were discussed at an executive meeting Aug. 26. Dates for the membership drive were set for Sept. 11 through 18.

Two Local Boys Show Animals at Fisher County Fair

Charles Stanford and Jackie Buske, members of the Hamlin FFA Chapter, exhibited beef animals at the Fisher County Fair Aug. 28.

Charles placed first in the summer yearling class of beef heifers. Jackie placed first in the heavy weight steer class. He plans to show his steer at the State Fair of Texas in October. Charles plans to take his heifer to the West Texas Fair in September. Lanny Foster is also to exhibit a heifer at the West Texas Fair.

REV. BYRON BRYANT
... accepts local pastorate

Rev. Byron Bryant Accepts Call Of Local First Baptist Church

The Rev. Byron Bryant, director of religious activities at Hardin-Simmons University and formerly director of public relations for the university, Sunday announced he has accepted a call to the pastorate of the First Baptist Church of Hamlin and resigned his H-SU post.

At Hamlin, he will succeed the Rev. Lenard Hartley, who has moved to a church in Odessa. His resignation at Hardin-Simmons will be effective Oct. 1.

The Rev. Bryant formerly held pastorates of the First Baptist Church of Breckenridge, First Baptist of Stamford, Harlandale Baptist of San Antonio, and of churches in Aspermont and Kermit. He resigned his post at Breckenridge to become director of public relations for H-SU in June, 1959.

"I feel compelled, in view of the call of the First Baptist Church of Hamlin, that at this time I should return to the pastorate," the minister said.

"I count my experience at Hardin-Simmons University invaluable and most gratifying to me personally. I leave the university with reluctance and with the greatest confidence in its future and admiration for its program and leadership. President Landes is projecting a program which is intended to achieve the highest objectives of Christian education," he stated.

Dr. James H. Landes, H-SU president, said Sunday afternoon that "it is with extreme regret that I am saying goodbye to a man of great ability and dedication."

David Casey Named Chairman Of Fund Drive Here

David Casey will head the annual Salvation Army Campaign, according to Floyd Clifton, Salvation Army Service Unit Chairman.

The goal of the Campaign is \$800.00. The campaign organization will begin immediately with the kick-off set for Sept. 18.

In addition to Clifton; Wesley Nail, Bob Craig, Mrs. Erma Wallace, and Joe Hudspeth made up the local committee. This committee maintains a local fund in order to give immediate aid to local and transient people who are in need.

The committee also cooperates with the state wide welfare services of The Salvation Army.

Robert Eastus Jr., field representative of The Salvation Army, will assist with the campaign.

Cecil Sellers Sells Interest in Company

Cecil Sellers, partner in the Coleman Livestock Auction at Coleman for the past three years, has sold his interest to his partner, Duwayne Edgington of Coleman.

The sale was made last Wednesday. Sellers will continue to live in Hamlin and plans to carry on his farming and livestock interests. He will also continue the buying and selling of cattle. He is a member of the National Livestock Dealers Association and is serving as president of the organization this year.

Strong Winds Saturday Cause Area Damages

High winds caused heavy damage to trees, television antennas and tin roofs here Saturday afternoon. The strong wind was followed by rain which measured .68. Rain earlier in the week, on Wednesday evening, amounted to .93.

Residents east and southeast of Hamlin spotted two funnels in the E. L. Jenkins Sr. field.

They said one appeared to go northeast and the other south-east.

At the Jack Vaughan home, five miles east of Hamlin, the hard driving wind filled with heavy dust blew down two big trees, unroofed and turned over a large playhouse, ripped the tin roofing from the barn and left the sheetrock on the north wall of the home standing away from studs in the outer wall. A basketball goal made of three inch pipe was bent and the wooden fence on the lot at the barn was blown down.

Mr. and Mrs. Vaughan, who were at home when the wind started blowing, went to their pickup to come to town for their two daughters. They had to remain in the pickup until the wind subsided.

In the same area, just north of the Vaughan home, the barn on the place owned by Dr. M.

L. Smith was stripped of the tin and part of the barn itself was badly damaged. Blowing tin over most of the area caused damage to fences.

At the Raymond Scifres farm the south part of the barn and top of the cistern were blown away and an electric pole was damaged. A large galvanized stock tank belonging to E. L. Jenkins Sr. was blown into the side of the Vernon Mayfield airport causing over \$165 damage to their car which was parked inside.

Damage to the Jenkins farm was heavy. Their barn was completely demolished, two houses used for transient laborers were unroofed, and one was moved 6 inches. One house was lifted up by the twisting wind and put back in the same spot.

One large tree was uprooted and all trees were heavily damaged as big limbs were

broken. The Jenkins were in the cellar during the storm.

Bill Rountree and other City employees have worked all this week clearing streets of debris. He said about four days would be required to get the city cleared. He believed that the strong winds stayed above the ground because there were few trash barrels blown over.

Hamlin Lions To Celebrate 35th Anniversary

The Hamlin Lions Club will celebrate their Thirty-fifth anniversary with a banquet at the Primary School Cafeteria Thursday, Sept. 10, according to Bob Craig, president. The Ladies affair will be at 7:30.

R. A. Lipscomb of Lubbock, past International Director of Lions International, will be the speaker for the occasion, it was announced by B. V. Newberry, general chairman of the banquet.

Invitations have been sent to all of the clubs in this area inviting them to take part in the local club's anniversary celebration.

All former Lions are invited to the banquet, especially any past presidents and charter members.

Price of the meal will be \$2.00 per person and those wishing to attend must notify Ray Sonnenburg, secretary-treasurer, by Tuesday, Sept. 8.

Lipscomb will be introduced by James P. McCracken of Cisco, governor of District 2E-1.

Family Night Set For Tonight by Local Riding Club

Family Night will be held by the Hamlin Riding Club tonight (Thursday) at the local arena. The same events that have been scheduled during the summer will be held.

Finals will be held Saturday night and belt buckles will be presented to the contestants who have compiled the most points in the events.

The Family night events will continue as long as people are interested but there will be no belt buckles will be given after Saturday night.

Albrittons Win Bridge Contest

Mr. and Mrs. Henry Albritton were first at the Hamlin Duplicate Bridge Meeting Tuesday night. Dan Gallagher and Jack Russell were second and Mr. and Mrs. Starr Inzer were third.

Their next meeting will be Tuesday, Sept. 8, at the Oil Mill Guest House at 7:00 p.m.

JOEL B. HURLEY
... named manager

Dallas Man Named Local Manager By Telephone Co.

Joel B. Hurley, a staff assistant for the Southwestern Bell Telephone Company in Dallas has been named manager for the company in Hamlin. He will succeed Harold Johnson, Sweetwater, who has been manager there since February, 1963. Johnson has resigned from the telephone company to enter private business in Longview, Texas. Announcement of the change was made by Duane Dawkins district manager for the company, who said it was effective immediately.

Hurley, the new manager is a 1959 graduate of Texas Christian University. He entered the Navy following graduation and served aboard the USS John W. Thomason as a gunnery officer. He holds the rank of Lt. jg. Following his Navy service he was enrolled in the telephone company's staff assistant training program in Dallas in 1963 and served there until his recent appointment as manager in Sweetwater. Hurley is married and has no children. His wife's name is Linda.

"LABOR IS LIFE"

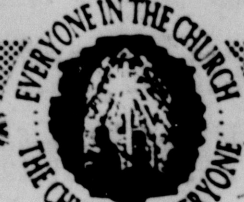

Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Department of Public Safety Expects 36 to Die Over Week End

AUSTIN — Col. Homer Garrison, director of the Texas Department of Public Safety, announced that "Operation Motorcade," the grim tabulation of Labor Day traffic deaths as they occur, will go into effect at 12:01 a.m., Saturday, Sept. 5.

The Department has estimated that 36 persons will be killed on Texas streets and highways during the 72-hour holiday period, which will last until 11:59 p.m., Monday, Sept. 7.

Garrison called upon the driving public to join in a "crusade of common-sense driving to lessen the toll of tragic holiday deaths caused by motor vehicles."

"The heaviest of moving vehicles is during holiday periods," he pointed out, "and it is during these times that drivers should exercise caution to the utmost."

"There is always a chance that the estimated traffic deaths can be proved too high if all motorists put forth a concerted effort toward holding the line against accidents by staying especially alert to the added dangers of holiday travel."

The DPS Director said Labor Day this year comes at a time when traffic tragedy appears to be outstripping that for 1963, when an all-time high of 2,729 deaths were tabulated.

He reported that more than 1,700 persons have been killed already this year for an increase of over 12 per cent, adding that if the trend continues the toll for 1964 will exceed 3,000 traffic deaths.

The Department of Public Safety will continue in their all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways, Garrison said. Officers from other DPS uniformed services will be assigned to Highway Patrol duty during the holiday period to add to the enforcement effort.

Garrison noted that several public and private agencies are carrying on programs to supplement the safety emphasis effort for the Labor Day holiday. The Texas Safety Association will conduct a public information program stressing the need for courtesy and caution. TSA Vice President W. F. (Bill) Leonard will coordinate the efforts of over 12,000 members of the Junior Chamber of Commerce over the state in operating some 200 "rest stops" for fatigued drivers to whom free coffee will be served.

The Texas Highway Department will carry on a continuing information education program instructing drivers in freeway driving and the need for caution near highway construction areas.

And the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will sponsor a fleet of 35 to 40 cars which will be used to assist stranded motorists over the state. This "Holiday Road Patrol" will be manned by the safety director, safety supervisors and safety engineers of the trucking industry who comprise the membership of the Council. Its primary purpose is to help relieve highway patrolmen for enforcement work by aiding motorists in distress.

Garrison listed several items for position action in his appeal to all drivers. He urged each person driving during the holiday to:

Make sure the car and all its equipment (tires, brakes, lights, etc.) are in proper working order at all times.

Be sure the driver is in good physical and mental condition.

Neinda Philosopher Comes Out With Idea of Holding Both Conventions at the Same Time

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes a second look at the conventions in his letter this week.

Dear editor:

After spending nearly two weeks watching both national political conventions this summer, a friend of mine said he's been studying the problems carefully and the way to eliminate all the argument and trouble over seating delegates and trying to write a platform that'll please the conservatives, the moderates, and the liberals is to operate three parties.

This has some merit, since

Be considerate toward other travelers.

Be alert for unexpected actions on the part of other drivers.

Be alert for unexpected road hazards and dangerous road conditions.

Avoid improper passing and maintain control of the car at all times.

Slow down and be able to cope with all existing conditions and circumstances.

And to use caution and good sense at all times.

"Your cooperation as a driver can be the deciding factor in leading to a reduction of traffic accidents and fatalities in our State," Garrison concluded.

FAIRVIEW NEWS...

The Fairview Church may not be very big in numbers, but we have found a way to make a lot of money, that is by hiring out as a rainmaker. In July the family night was planned for a picnic at the park in Hamlin. It rained, not out our way, but in town, although it had been weeks of dry weather. Last Wednesday night the August get together was planned for an ice cream supper, at the park, and you all know what happened. It rained and the wind blew, the lightning was terrific, and the thunder rolled, but we were prepared that time, we had our ice cream supper any way. This writer being one of those responsible for planning this month, had invited them to my home, in case of rain, so in between showers they came. Found out after it did rain that some of them had kinda snickered about me saying, "if it rained", but rain it did, in sheets, and we did eat ice cream until we couldn't, having a lot left, so as we say, we are thinking of hiring out as rainmakers, by planning a get together in the park.

We had the worst storm of the summer, with rain, some hail, accompanied by gale winds. We understand quite a bit of damage was done around over the community by the winds and some crops suffered hail damage, although the hail was light in most sections. Some barns were damaged, trailers turned over and a small house on the E. L. Jenkins Sr. farm was torn up. With the wind blowing so hard, the hail coming down and water falling in sheets, it made you wish you were in a storm cellar, but the rain was welcome, even though it was rather scary.

We were pleasantly surprised Sunday morning by a visit from Rev. L. L. Trott, district missionary, for district 17, in our Sunday morning service. Since he has so many churches in his district, it has been some time since he had favored us with a visit. He told us of the plan to divide the district, this area will be known as Double Mountain Area, with Rev. Trott as missionary, and will make his home in Hamlin, since it will be in the middle of the district.

The little grandsons of the Grays returned home Sunday, after spending their vacation in Hamlin. Mr. and Mrs. Marvin Johnson, Amarillo, returning home from a vacation trip, spent a few days with their parents, the Grays and M. S. Johnson's, and to pick up the boys. Bruce will be in school this year, but Barry saw no reason why he should go home, as he isn't going to school.

Mr. and Mrs. Arthur Moss of Lamesa spent Thursday with Mr. and Mrs. Fred Rosenbaum.

Several from our community, who have ginned at the Radium gin, attended a fish fry at that place last Friday night, hosted by the ginner.

Mr. and Mrs. Flavil Holmes, Mr. and Mrs. H. L. Ford, Spencer and Diane, visited with Mr. and Mrs. Fred Rosenbaum last Thursday night.

Visitors in church services Sunday night were Mrs. Tanner and Larry, mother and brother, of Mrs. Leverett.

Mr. and Mrs. M. S. Johnson, with the Marvin Johnson family, were guests of the Winston Grays, for lunch Sunday.

Mr. and Mrs. E. A. Henry were missing Sunday, we did not learn where they went and if they walked, drove or flew. Where ever they were, we know they were having a good time.

School starts today in most of the schools of this area, so it seems as if summer is over. We hope the weather can be convinced of that fact, as it has been such a long, hot summer.

Chinese gold rush workers gathered jade at the diggings and shipped it to China, leaving the gold to the Americans.

OLD GLORY NEWS...

By Judy White

School:
The Old Glory Sophomore Class started off the first day of school last Monday by electing their class officers for the 1964-1965 school year. Those elected were: Francell Boles, president; Joe Mack Boles, vice president; Judy White, treasurer; Kaye Myers secretary; Stephanie Letz, reporter; and Darlene Whitson, Historian.

4-H
The Old Glory Junior Boys 4-H Club sponsored a bake sale on Aug. 29. Those assisting were: Weldon Spitzer, Steve Letz, Kenneth Jones, Dewey Dudensing; Dale Letz; Cody Bridges, Russell Letz and adult leaders Mrs. Allen Letz and Mrs. Jack Jones.

The boys wish to offer their thanks to all the mothers for the cakes, pies, rolls and breads donated; and also they wish to thank those who purchased them. A total of \$33.20 was made for their club.

Mrs. Oscar Gibson is a patient in Hendricks Memorial Hospital in Abilene. We wish Mrs. Gibson a speedy recovery. Mr. and Mrs. Ben Klump and Mr. and Mrs. Herbert Klump visited Mrs. Joe Hudspeth Sr. in Hamlin last Saturday.

Larry Flow is a patient in the Stamford Hospital. We wish Larry a speedy recovery.

Appliances for Future Kitchens Told by Expert

Appliances for tomorrow's kitchens were described by a leading authority on equipment trends, during the recent meeting of the American Home Economics Association in Detroit. During the next 10 years, some 90 million women in America will own many revolutionary appliances in their kitchens. On the drawing board now, are some setting ideas that include:

Refrigerators in the round. Electric mixers powered by motors no larger than a man's thumb.

Appliances incorporating ceramics, mosaics, colored glass, even veneers of marble.

Portable plug-in gas appliances.

Thermo-electric devices that will both heat and cool.

Infra-red top-of-the-range cooking and new methods of food preservation in the home.

It is also predicted that dish storage cupboards may become extinct in the not too distant future.

As seen at the World's Fair, one "cupboard" will manufacture new plates, cups, and glasses in minutes in any quantity needed. Back in style, however, is the old-fashioned pantry. A survey among homemakers to determine what they wanted in kitchens disclosed that walk-in pantries—large enough to hold a freezer -- and lined with adjustable shelving, topped the list.

Ivory balls have not been used in official championship billiard competition since 1929 because their extremely produced an unpredictable bounce.

Mr. Farmer— Mr. Rancher:

A recent study in this area has resulted in an upward adjustment in our loan values making it possible, in many cases, to make larger loans. For information about a loan on your farm or ranch come in soon—let us explain the many advantages of a Land Bank loan.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. —Initial post-convention plans and strategy mapped by President Johnson for the November general election campaign will bear a "made in Texas" label. "Made in Austin, Texas" would be more specific, for much of it will originate here.

The President, his nomination as the Democratic party's standard bearer secured, hurried home to his ranch to rest up and do some thinking. His visit attracted greater interest than any since his first as president, during the Christmas-New Year season.

With Vice Presidential Nominee Hubert Humphrey as his guest at the ranch, private talks inevitably turned to the battles ahead.

Gillispie County Democrats welcomed the President back to his home county with a Hill-Country-style birthday celebration and barbecue two days after his 56th birthday.

WATER CONSERVATION DROPS — Water conservation storage in major Texas reservoirs dropped at the end of last month to the lowest point since March, 1957. The 6,400,000 acre feet storage was a decrease of 700,000-acre feet from the previous month.

Texas Water Commissioner said dryland crops and pastures are suffering heavily, and municipal water supply of many small towns has "reached critical stage."

DOVE SEASONS TO OPEN — Parks and Wildlife Department announces that white wing doves can be hunted or two weekends — September 5-6 and September 12-13.

Regular mourning dove season opens in the north zone of Texas on September 1 and will run through October 30. The south zone is September 26-November 20.

A new guide to hunting regulations, "Hunting in Texas 1964-1965," now is being distributed through Parks and Wildlife field offices and licensed deputies.

PRISON LAND — Land Commissioner Jerry Sadler's staff has completed surveys and subdivisions of 6,500 acres of prison farm land in Harris, Fort Bend and Walker Counties.

State Board of Correction will offer the 43 tracts of land for sale on December 9-11. Land is surplus to needs of the prison system, so effort is being made to get it in private hands and on the tax rolls.

Details may be obtained from the State Department of Correction at Sugarland or Huntsville.

ENOUGH BANKS? — State Banking Commissioner J. M. Falkner thinks it is time for caution in chartering new banks.

Falkner serves as chairman of the State Banking Board which grants or turns down applications for charters for state banks. State Treasurer Jesse James and Robert Strauss, Dallas attorney, are the other two members of the board.

About 100 new state and national banks have been chartered in Texas in the last three years.

Sign of the slowdown is the fact that so far this year, Board has turned down nine and granted eight applications. In 1962 it granted 18 and turned down four.

BACK TO SCHOOL — Part-time jobs are being sought and found by the Texas Employment Commission for high school students who need work to be able to stay in school.

In a drive to try to keep 600,000 high school students from

headed by Sen. Walter Richter of Gonzales, a former newspaperman, is putting out its own newspaper, designed to feed information to those working to improve the living conditions of older people. . . . A county's duty to furnish medical care for needy residents includes the obligation to employ necessary medical specialists, Attorney General Carr advised Young County Attorney Ronald D. Stephens in an opinion. . . . Western Union is closing its branch office at the state Capitol, except during legislative sessions, so Miss Cornelia Nunn retired last week — after 43 years as Western Union operator there. . . . Attorney Gen Carr announced recovery of a additional \$118,825 in a slant well suit, involving wells in Rusk, Gregg, Karnes and Jackson Counties, which brings total of recoveries to \$953,595.

MRS. TOMMY J. SELF
... formerly Gloria Lee Hardy

Neinda Baptist Church is Scene For Hardy-Self Wedding Aug. 22

The Neinda Baptist Church was the scene for the August 22 marriage of Gloria Lee Hardy, daughter of Mr. and Mrs. A. D. Hardy of Neinda, and Tommy J. Self, son of Mr. and Mrs. J. P. Self of Sylvester.

The bride is the granddaughter of Mr. and Mrs. J. H. Cook of Sylvester.

Rev. Frank Codington, pastor of the Neinda Baptist Church, officiated for the double ring ceremony at 7:30 p.m.

Reba Jackson was pianist and Polly Jackson was soloist.

Mr. Hardy presented his daughter in marriage. She wore a street length gown of white satin designed with full skirt and fitted bodice overlaid with Alecon lace. Her fingertip veil of silk illusion fell from a crown of illusion and pearls. She carried a white Bible topped with orchids and and stephanotis. For something old she carried a handkerchief which her mother had carried in her wedding.

Sharon Wheat of Neinda was maid of honor. She wore a pink street length dress with basque bodice, scooped neckline and full skirt. She wore a white pill box hat and carried a nosegay of white flowers.

Bobby Self, brother of the bridegroom, was best man. Candlelighters were Janice Faye Hardy, sister of the bride, and Patricia Self, sister of the bridegroom.

Ushers were Autry Dee Hardy, brother of the bride, and Jackie Don Williams of Hamlin.

The reception was held in the Fellowship Hall. The table was covered with white lace over pink. Mrs. A. J. Cook of Sylvester and Mrs. Lon Hardy of Dallas, both aunts of the bride, served.

After a wedding trip to Colorado Springs, Colo., the couple established residence in Abilene where she is attending Glen and Lottie's School of Beauty and he is employed by Hillcrest Barber Shop.

The bride graduated from McCaulley High School in May. The bridegroom is a 1962 graduate of McCaulley High School and attended Abilene Barber College.

Mrs. Don Compton Elected President Of Women's Golf

Mrs. Don Compton has been elected president of the Hamlin Women's Golf Association. Serving with her will be Mrs. S. C. Ferguson Jr., vice president and tournament chairman; Mrs. Dwayne Stallcup, secretary-treasurer; Mrs. E. D. Perrin, reporter.

Members are to pay their dues at this time.

Knitting Classes

Arrangements are now being made for adult knitting classes at Hamlin High School. Those interested in taking part may contact Mrs. Camille Simons, homemaking teacher. The schedule will be arranged after class members are signed up.

Mary Margaret Maberry and Jerry Wayne Smith Pledge Vows

Wedding vows were pledged here Sunday afternoon at 4 o'clock in the First Methodist Church by Mary Margaret Maberry, daughter of Mr. and Mrs. Willard Maberry, and Jerry Wayne Smith, son of Mr. and Mrs. Grady Smith.

The Rev. Royce Womack, pastor, read the double ring ceremony.

Nuptial music was presented by Richard Parks of Wheeler, organist, and Mrs. Bob Test of Abilene, soloist.

Given in marriage by her father, the bride wore a gown of peau de sole fashioned with fitted bodice, three-quarter length sleeves and V neckline. Alecon lace appliques accented the bodice and the skirt with straight front. Skirt with back pleats extended to a cathedral train. A tiara of pearls

and iridescents held her elbow length veil of illusion. She carried a white orchid arranged with stephanotis on a white Bible.

Mrs. L. E. Geoffroy of Amarillo was matron of honor for her sister. Bridesmaids were Joyce Smith, sister of the bridegroom, and Gail Geoffroy of Amarillo. They wore gowns of white cotton lace over pink cotton satin styled with oval necklines and bell skirts. Head-dresses were matching pillbox hats. Each attendant carried a long-stemmed pink rose.

Muri Don Smith, brother of the bridegroom, was best man. Groomsmen were Dan Henry of Waxahachie and Walter Bounds of Center.

Mark Smith and Bob Johnson of Waco were ushers.

Reception was in the church parlor.

The bride is a graduate of Hamlin High School and attended McMurry College, Abilene, where she was a member of the Chanters.

The bridegroom, also a HHS graduate, attends Baylor University.

The couple will reside at Baylor Manor Apartments, Apt. 21, in Waco where both will be attending Baylor University.

The rehearsal dinner was held Saturday night in the home of the bridegroom's parents.

NEWS FROM COUNTY AGENT—

By: Kirby Clayton
Jones County Agricultural Agent

Twenty Texas producers of certified seed wheat like the new variety Caddo, above older varieties, according to word from County Agent, Kirby Clayton. The twenty producers received foundation seed of the new variety in the fall of 1963 and have just reported on their 1964 harvests to Dr. I. M. Atkins, small grain section leader of the Texas Agricultural Experiment Station.

The reports came from every section of Texas, Clayton said, and practically all reported Caddo yields were equal to or better than those of other varieties grown on their farms. Yields ranged from less than 15 bushels per acre to a high of 84.3 bushels. The high yield was produced under irrigation near Spearman in the upper Panhandle and compared with a yield of 76.1 bushels per acre for Improved Triumph on the same farm.

On a Castro County farm near Dimmitt, Caddo produced 57 bushels per acre as against 42 bushels for Kaw. The 20 growers reported an overall average of 33 bushels for Caddo against a 29 bushel average for other varieties grown on the same farms.

The growers also told Dr. Atkins they liked the agronomic characteristics of the new wheat. Seven said it produced more forage for winter grazing; the same number said it had stronger straw than the other variety grown and six said it was more hail resistant. On one farm, Caddo was damaged only 8 percent by hail compared with 17 percent for Crockett. Several of the growers told

Dr. Atkins their Caddo had higher test weight per bushel and that it rusted less than other varieties — two very important considerations when selecting a desirable variety of wheat for planting.

Caddo was developed by Dr. Atkins and Dr. Kenneth B. Porter, Texas Station agronomists in cooperation with the U. S. Department of Agriculture. The agronomists pointed out that before the seed of the new variety was released to growers, tests in Texas and over the Southern Great Plains area gave Caddo a rating of excellent on yield, test weight, quality and resistance to leaf rust. It is also widely adapted, including areas in Central Texas, they said.

"Caddo" will be available to Texas growers for the first time this fall, says Clayton. Some foundation seed was planted in Jones County last year, which will make some seed available locally.

FARMERS USE 85 PERCENT OF THE HAY they produce. Normally the U. S. produces 117 million tons of hay a year, but only 15 percent of this enters commerce.

Teenagers need more protein, calcium and most all nutrients than any other time during life, due to fast growth. Energy needs also are high. Early marriage make nutrition doubly important for teenage girls.

Mr. and Mrs. Eugene Wilcox are parents of a boy, Michael Eugene, born Aug. 26 at 10:51 p.m. He weighed 12 lbs. Grandparents are Mr. and Mrs. Ulysses Lee and Mr. and Mrs. Troy Wilcox.

Pipers to Launch Season Here Friday with Rotan

The Pied Pipers will open their 1964 football season here Friday night when they host the Rotan Yellowhammers at Piper stadium. Kickoff time will be 8 p.m.

Coach D. C. Andrews and his staff have not been able to learn very much about the Rotan team they will face except that they will run from a

Wing offense and are expected to be a strong passing club.

Andrews said Tuesday that except for a couple of changes he will start about the same lineup as he did in the scrimmage against Clyde last Thursday evening.

Allen Cumbie has been sick this week and Tommy Ferguson will probably start at the

wingback position in his place. Pat Batchelor has been moved to center and George Bonds to tackle.

At the other positions will be: Johnny Overman at quarterback, Rupert Compton at fullback, Robert Pearce at halfback, Mike Shivers at the split end, George Bonds at weak side tackle, Larry Simpson at weak side guard, Batchelor at center, Dan Bruner at strong side guard, Charles Prewitt at strong side tackle, and James Ledbetter at the tight end position.

Andrews said that he will probably make only two changes on defense. Robert Allen and Jesse Mendoza will come in on defense, replacing Overman and Batchelor.

Simpson, Pearce and Overman were elected captains for the year by the members of the squad this past week, according to Andrews.

This will be the first game to be played in Piper stadium with the visiting fans seated on the east side of the field in the new grandstands. The Piper band and the Piper Pep Squad will be seated in the West stands with the home fans this year.

Reserved seat tickets are still available for Friday night's game and may be purchased at the drug stores downtown.

Barber Shops Will Start Closing Sat. On September 12

Hamlin Barber Shops announced in making this announcement Saturday, Sept. 12, they will close on Saturdays rather than on Mondays as they have been in the past.

In making this announcement the local barbers said that they could better serve their customers by making this change.

Local shops to be closed on Saturday are Imperial, Service and Ideal.

P-TA Opening Meeting to be Held Tonight at 7:30

The opening meeting of the Hamlin Parent-Teachers Association will be held tonight (Thursday) at 7:30 p.m. in the primary cafeteria. This meeting is planned for a get acquainted time for teachers and parents.

Mrs. Jack Vaughan, president, will preside. The teachers and principals will be introduced by Mr. C. F. Cook, superintendent, and Marvin Carlton junior high principal.

Mrs. Royce Womack will be the soloist for the entertainment portion of the program.

The refreshment committee includes Mmes. David Casey, George Poe and Horace Driver.

Plans for activities, projects and programs for the coming year were discussed at an executive meeting Aug. 26. Dates for the membership drive were set for Sept. 11 through 18.

Two Local Boys Show Animals at Fisher County Fair

Charles Stanford and Jackie Buske, members of the Hamlin FFA Chapter, exhibited beef animals at the Fisher County Fair Aug. 28.

Charles placed first in the summer yearling class of breeding beef females. His heifer was one presented to him through the Hamlin BCD last fall. She is from Y-6 Ranch.

Jackie placed sixth in the heavy weight steer class. He plans to show his steer at the State Fair of Texas in October. Charles plans to take his heifer to the West Texas Fair in September. Lanny Foster is also to exhibit a heifer at the West Texas Fair.

REV. BYRON BRYANT
... accepts local pastorate

Rev. Byron Bryant Accepts Call Of Local First Baptist Church

The Rev. Byron Bryant, director of religious activities at Hardin-Simmons University and formerly director of public relations for the university, Sunday announced he has accepted a call to the pastorate of the First Baptist Church of Hamlin and resigned his H-SU post.

At Hamlin, he will succeed the Rev. Lenard Hartley, who has moved to a church in Odessa. His resignation at Hardin-Simmons will be effective Oct. 1.

The Rev. Bryant formerly held pastorates of the First Baptist Church of Breckenridge, First Baptist of Stamford, Harlandale Baptist of San Antonio, and of churches in Aspermont and Kermit. He resigned his post at Breckenridge to become director of public relations for H-SU in June, 1959.

"I feel compelled, in view of the call of the First Baptist Church of Hamlin, that at this time I should return to the pastorate," the minister said.

"I count my experience at Hardin-Simmons University invaluable and most gratifying to me personally. I leave the university with reluctance and with the greatest confidence in its future and admiration for its program and leadership. President Landes is projecting a program which is intended to achieve the highest objectives of Christian education," he stated.

Dr. James H. Landes, H-SU president, said Sunday afternoon that "it is with extreme

David Casey Named Chairman Of Fund Drive Here

David Casey will head the annual Salvation Army Campaign, according to Floyd Clifton, Salvation Army Service Unit Chairman.

The goal of the Campaign is \$800.00. The campaign organization will begin immediately with the kick-off set for Sept. 18.

In addition to Clifton; Wesley Nail, Bob Craig, Mrs. Erma Wallace, and Joe Hudspeth made up the local committee. This committee maintains a local fund in order to give immediate aid to local and transient people who are in need.

The committee also cooperates with the state wide welfare services of The Salvation Army.

Robert Eastus Jr., field representative of The Salvation Army, will assist with the campaign.

Cecil Sellers Sells Interest in Company

Cecil Sellers, partner in the Coleman Livestock Auction at Coleman for the past three years, has sold his interest to his partner, Duwayne Edington of Coleman.

The sale was made last Wednesday. Sellers will continue to live in Hamlin and plans to carry on his farming and livestock interests. He will also continue the buying and selling of cattle. He is a member of the National Livestock Dealers Association and is serving as president of the organization this year.

Strong Winds Saturday Cause Area Damages

High winds caused heavy damage to trees, television antennas and tin roofs here Saturday afternoon. The strong wind was followed by rain which measured .68. Rain earlier in the week, on Wednesday evening, amounted to .93.

Residents east and southeast of Hamlin spotted two funnels in the E. L. Jenkins Sr. field.

They said one appeared to go northeast and the other south-east.

At the Jack Vaughan home, five miles east of Hamlin, the hard driving wind filled with heavy dust blew down two big trees, unroofed and turned over a large playhouse, ripped the tin roofing from the barn and left the sheetrock on the north wall of the home standing away from studs in the outer wall. A basketball goal made of three inch pipe was bent and the wooden fence on the lot at the barn was blown down.

Mr. and Mrs. Vaughan, who were at home when the wind started blowing, went to their pickup to come to town for their two daughters. They had to remain in the pickup until the wind subsided.

In the same area, just north of the Vaughan home, the barn on the place owned by Dr. M.

L. Smith was stripped of the tin and part of the barn itself was badly damaged. Blowing tin over most of the area caused damage to fences.

At the Raymond Scifres farm the south part of the barn and top of the cistern were blown away and an electric pole was damaged. A large galvanized stock tank belonging to E. L. Jenkins Sr. was blown into the side of the Vernon Mayfield carport causing over \$165 damage to their car which was parked inside.

Damage to the Jenkins farm was heavy. Their barn was completely demolished, two houses used for transient laborers were unroofed, and one was moved 6 inches. One house was lifted up by the twisting wind and put back in the same spot.

One large tree was uprooted and all trees were heavily damaged as big limbs were

broken. The Jenkins were in the cellar during the storm.

Bill Rountree and other City employees have worked all this week clearing streets of debris. He said about four days would be required to get the city cleared. He believed that the strong winds stayed above the ground because there were few trash barrels blown over.

Hamlin Lions To Celebrate 35th Anniversary

The Hamlin Lions Club will celebrate their Thirty-fifth anniversary with a banquet at the Primary School Cafeteria Thursday, Sept. 10, according to Bob Craig, president. The Ladies affair will be at 7:30.

R. A. Lipscomb of Lubbock, past International Director of Lions International, will be the speaker for the occasion, it was announced by B. V. Newberry, general chairman of the banquet.

Invitations have been sent to all of the clubs in this area inviting them to take part in the local club's anniversary celebration.

All former Lions are invited to the banquet, especially any past presidents and charter members.

Price of the meal will be \$2.00 per person and those wishing to attend must notify Ray Sonnenburg, secretary-treasurer, by Tuesday, Sept. 8.

Lipscomb will be introduced by James P. McCracken of Cisco, governor of District 2E-1.

Family Night Set For Tonight by Local Riding Club

Family Night will be held by the Hamlin Riding Club tonight (Thursday) at the local arena.

The same events that have been scheduled during the summer will be held.

Finals will be held Saturday night and belt buckles will be presented to the contestants who have compiled the most points in the events.

The Family night events will continue as long as people are interested but there will be no belt buckles will be given after Saturday night.

Albrittons Win Bridge Contest

Mr. and Mrs. Henry Albritton were first at the Hamlin Duplicate Bridge Meeting Tuesday night. Dan Gallagher and Jack Russell were second and Mr. and Mrs. Starr Inzer were third.

Their next meeting will be Tuesday, Sept. 8, at the Oil Mill Guest House at 7:00 p.m.

Jimmy Kincaid To Play in FFA Band in October

Jimmy Kincaid, son of Mr. and Mrs. G. W. Kincaid, has been selected as a member of the National Future Farmers of America Band. He is one of 400 boys who were nominated for the band. The band consists of 120 members. They will play for sessions of the National FFA Convention in Kansas City, Missouri, Oct. 11-17. They will also march in the American Royal Parade Oct. 17.

Jimmy is a junior in Hamlin High School. He has been active in FFA work as a member of the FFA Quiz team, Senior Chapter Conducting Team, and Dairy Cattle Judging Team. He also served as alternate on the Livestock Judging Team. As a freshman he received the Chapter Scholarship Award for being the FFA member with the highest scholastic rating. He has received various certificates of merit for scholarship, FFA quiz, and chapter conducting. As a sophomore, he served as chairman of the scholarship committee on the chapter program of work. He has exhibited swine in various livestock shows.

As a band member he made all-district band for the 1963-64 school year and received a division I rating in the UIL solo contest last year.

He is also a member of the Library Club.

Mr. and Mrs. John T. Hunter are parents of a daughter, Eugenia, born Sept. 1 at 6:19 a.m. She weighed 6 lbs.

JOEL B. HURLEY
... named manager

Dallas Man Named Local Manager By Telephone Co.

Joel B. Hurley, a staff assistant for the Southwestern Bell Telephone Company in Dallas has been named manager for the company in Sweetwater. He will succeed Harold Johnson, Sweetwater, who has been manager there since February, 1963. Johnson has resigned from the telephone company to enter private business in Longview, Texas. Announcement of the change was made by Duane Dawkins district manager for the company, who said it was effective immediately.

Hurley, the new manager is a 1959 graduate of Texas Christian University. He entered the Navy following graduation and served aboard the USS John W. Thomason as a gunnery officer. He holds the rank of Lt. jg. Following his Navy service he was enrolled in the telephone company's staff assistant training program in Dallas in 1963 and served there until his recent appointment as manager in Sweetwater. Hurley is married and has no children. His wife's name is Linda.

FROM OUR FILES

FIVE YEARS AGO:

With a gala atmosphere, elaborate preparations and an entry list of exhibits that surprised promoters of the first annual Jones County Fair, Anson is putting its best foot forward to edify and entertain thousands of exhibitors and spectators.

Mr. and Mrs. L. B. Baker and Mr. and Mrs. Clyde Lewis and daughter, Cheryl, returned last week from a several days visit at Breckenridge, Minnesota, with Mrs. Lewis' sister, Mrs. John Mehl and family.

Name of the Hamlin Motor Company Tuesday was changed to the Connally Ford Sales, when it was announced by Art and Stanley Carmichael, former Hamlin dealers, that Charles Connally had purchased an interest in the firm, dealer for Ford and Mercury automobiles and trucks.

TEN YEARS AGO:

Many area beauties have been entered in the queen contest for the Tri-County Jubilee, slated at Hamlin Sept. 11.

Rev. Miles B. Hayes of Lueders, veteran Baptist minister of West Texas, has been named pastor of North Central Ave. Baptist Church.

James Brown, 20-year-old Hamlin negro was in county jail at Anson Wednesday following filing of a murder charge against him in the fatal

shooting of Clifford Green, 32-year-old Hamlin negro, early Sunday morning.

FIFTEEN YEARS AGO:

Sixty new pendant type gas vapor electric lights are being installed on North Central Avenue and East and West Lake Drive similar to those installed on South Central Ave., according to B. M. Brundage, mayor.

Lee Rawlings, formerly of Perryton, has accepted the place as minister of the Hamlin Church of Christ. He will be here this Thursday evening.

Opening of an engineering office by the State Highway Department in Hamlin is being scheduled for the near future, when suitable office space can be arranged.

Wanda Hancock and Ann Carson of Odessa are guests this week of Bebe Doris Shelton in Hamlin.

TWENTY-FIVE YEARS AGO:

Hamlin schools open Monday with many new faculty members, including: Geneva Albritton, R. H. Campbell, Frances Eddie Beck, Bonita Duckworth, Mrs. Mary Farrow, J. Melvin Grigg, Parline Harrell, Mat James, J. Carlton Kinchen, Frank M. Lawlis, Nadine Morgan, Hubert Morton, Mrs. Ruth Mayhew, Georgia Moore, Alpha Moore, Mrs. Carrie Owens, Doris Pope, Ruby Roark, Mrs. Kathryn Shelburne, Marcus W. Forty Years Ago:

Monday, Sept. 1, W. M. Meador, the photographer, moved out of the Rest Room building to the wooden building, near the Morgan Hotel. The rest room building will be occupied by W. W. Collier, Tailoring business. He will use the north half of the house and the Ladies Rest the south half. The rest room will continue to be maintained by the city, but the care will be in the hands of Mr. Collier.

From the reports of City Marshall Johnson, the colored boys are fond of "chock" beer. Last week he captured Ed Anderson with 8 gallons. Ed lives in town out east of Hamlin on a prosperous farm, one Sam Williams was getting ready for the "fall" and had prepared fifteen gallons of said "chock." All this stuff was promptly poured out and the black boys were fined accordingly.

Michael Brandon In Recruit Training

SAN DIEGO, Calif. — Michael S. Brandon, USN, son of Mr. and Mrs. Ollis Elton Brandon of 549 Northwest Avenue C, Hamlin, Texas, is undergoing recruit training at the Naval Training Center, San Diego, Calif.

He is learning basic military law, customs and etiquette, seamanship, and a basic knowledge of seaboard routine.

Also included in the training is extensive military drill, first aid, swimming, water survival tactics and physical fitness.

Upon completion, he will be granted a 14-day leave before reporting to his new duty station or a service school.

Mr. and Mrs. E. C. Walton and family recently made the guided tour deep in Carlsbad Caverns National Park in southern New Mexico to see the magnificent formations in the world famous cavern.

"LABOR IS LIFE"

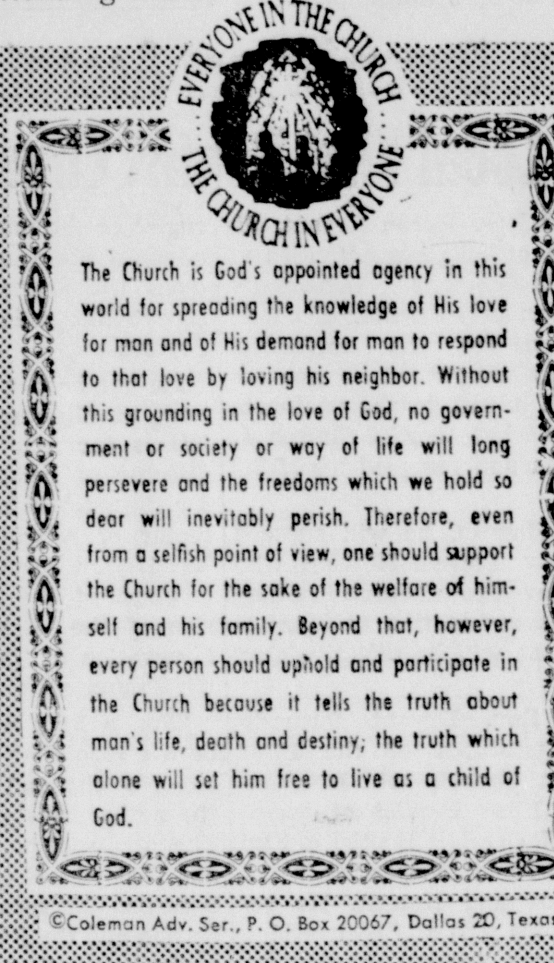

Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

Department of Public Safety Expects 36 to Die Over Week End

AUSTIN — Col. Homer Garrison, director of the Texas Department of Public Safety, announced that "Operation Motorcade," the grim tabulation of Labor Day traffic deaths as they occur, will go into effect at 12:01 a.m., Saturday, Sept. 5.

The Department has estimated that 36 persons will be killed on Texas streets and highways during the 72-hour holiday period, which will last until 11:59 p.m., Monday, Sept. 7.

Garrison called upon the driving public to join in a "crusade of common-sense driving to lessen the toll of tragic holiday deaths caused by motor vehicles."

"The heaviest of moving vehicles is during holiday periods," he pointed out, "and it is during these times that drivers should exercise caution to the utmost."

"There is always a chance that the estimated traffic deaths can be proved too high if all motorists put forth a concerted effort toward holding the line against accidents by staying especially alert to the added dangers of holiday travel."

The DPS Director said Labor Day this year comes at a time when traffic tragedy appears to be outstripping that for 1963, when an all-time high of 2,729 deaths were tabulated.

He reported that more than 1-700 persons have been killed already this year for an increase of over 12 per cent, adding that if the trend continues the toll for 1964 will exceed 3,000 traffic deaths.

The Department of Public Safety will continue in their all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways, Garrison said. Officers from other DPS uniformed services will be assigned to Highway Patrol duty during the holiday period to add to the enforcement effort.

Garrison noted that several public and private agencies are carrying on programs to supplement the safety emphasis effort for the Labor Day holiday. The Texas Safety Association will conduct a public information program stressing the need for courtesy and caution. TSA Vice President W. F. (Bill) Leonard will coordinate the efforts of over 12,000 members of the Junior Chamber of Commerce over the state in operating some 200 "rest stops" for fatigued drivers to whom free coffee will be served.

The Texas Highway Department will carry on a continuing information education program instructing drivers in freeway driving and the need for caution near highway construction areas.

And the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will sponsor a fleet of 35 to 40 cars which will be used to assist stranded motorists over the state. This "Holiday Road Patrol" will be manned by the safety director, safety supervisors and safety engineers of the trucking industry who comprise the membership of the Council. Its primary purpose is to help relieve highway patrolmen for enforcement work by aiding motorists in distress.

Garrison listed several items for position action in his appeal to all drivers. He urged each person driving during the holiday to:

Make sure the car and all its equipment (tires, brakes, lights, etc.) are in proper working order at all times.

Be sure the driver is in good physical and mental condition.

Neinda Philosopher Comes Out With Idea of Holding Both Conventions at the Same Time

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes a second look at the conventions in his letter this week.

Dear editor:

After spending nearly two weeks watching both national political conventions this summer, a friend of mine said he's been studying the problems carefully and the way to eliminate all the argument and trouble over seating delegates and trying to write a platform that'll please the conservatives, the moderates, and the liberals is to operate three parties.

This has some merit, since

Be considerate toward other travelers.

Be alert for unexpected actions on the part of other drivers.

Be alert for unexpected road hazards and dangerous road conditions.

Avoid improper passing and maintain control of the car at all times.

Slow down and be able to cope with all existing conditions and circumstances.

And to use caution and good sense at all times.

"Your cooperation as a driver can be the deciding factor in leading to a reduction of traffic accidents and fatalities in our State," Garrison concluded.

to a conservative a moderate is a liberal and to a liberal a moderate is a conservative and to a moderate both ends are wrong, but it won't work.

It wouldn't make a good television show.

You get a convention hall full of people who all think alike and agree on everything, and there'd be nothing left for them to do but listen to the speeches, and anybody knows half the delegates can't bring themselves to listen half the time.

Television has long since discovered that keeping its cameras on the speaker's stand is the best way to lose its ratings, and the only way to keep things lively is to send its reporters around the hall with portable gear to get in on the squabbles, and if they can't find one, stir up something anyway.

I tell you, a football game where the spectators spent most of their time running up and down the aisles arguing

over the eligibility of a third-string tackle and speculating on who the coach was going to send in next at quarterback, wouldn't last long as a national sport.

Actually, to make the best television show, two parties are enough and they both ought to hold their conventions at the same time in the same hall. Turn them loose and let the cameras grind. Things would get to poppin' then.

Yours faithfully,
J. A.

Mrs. J. E. Cory had as week end guests Mr. and Mrs. Jno. Hatcher from Houston and their friend, Dr. Nobuko Okumura from Japan. Dr. Okumura is serving a two-year appointment at Baylor Medical Center, Houston, in cancer research. She was fascinated with the expansiveness of farming and ranching in this section of Texas.

FAIRVIEW NEWS...

The Fairview Church may not be very big in numbers, but we have found a way to make a lot of money, that is by hiring out as a rainmaker. In July the family night was planned for a picnic at the park in Hamlin. It rained, not out our way, but in town, although it had been weeks of dry weather. Last Wednesday night the August get together was planned for an ice cream supper, at the park, and you all know what happened. It rained and the wind blew, the lightning was terrific, and the thunder rolled, but we were prepared that time, we had our ice cream supper any way. This writer being one of those responsible for planning this month, had invited them to my home, in case of rain, so in between showers they came. Found out after it did rain that some of them had kinda snickered about me saying, "if it rained", but rain it did, in sheets, and we did eat ice cream until we couldn't, having a lot left, so as we say, we are thinking of hiring out as rainmakers, by planning a get together in the park.

We had the worst storm of the summer, with rain, some hail, accompanied by gale winds. We understand quite a bit of damage was done around over the community by the winds and some crops suffered hail damage, although the hail was light in most sections. Some barns were damaged, trailers turned over and a small house on the E. L. Jenkins Sr. farm was torn up. With the wind blowing so hard, the hail coming down and water falling in sheets, it made you wish you were in a storm cellar, but the rain was welcome, even though it was rather scary.

We were pleasantly surprised Sunday morning by a visit from Rev. L. L. Trott, district missionary, for district 17, in our Sunday morning service. Since he has so many churches in his district, it has been some time since he had favored us with a visit. He told us of the plan to divide the district, this area will be known as Double Mountain Area, with Rev. Trott as missionary, and will make his home in Hamlin, since it will be in the middle of the district.

The little grandsons of the Grays returned home Sunday, after spending their vacation in Hamlin. Mr. and Mrs. Marvin Johnson, Amarillo, returning home from a vacation trip, spent a few days with their parents, the Grays and M. S. Johnson's, and to pick up the boys. Bruce will be in school this year, but Barry saw no reason why he should go home, as he isn't going to school.

Mr. and Mrs. Arthur Moss of Lamesa spent Thursday with Mr. and Mrs. Fred Rosenbaum.

Several from our community, who have ginned at the Radium gin, attended a fish fry at that place last Friday night, hosted by the ginner.

Mr. and Mrs. Flavil Holmes, Mr. and Mrs. H. L. Ford, Spencer and Diane, visited with Mr. and Mrs. Fred Rosenbaum last Thursday night.

Visitors in church services Sunday night were Mrs. Tanner and Larry, mother and brother, of Mrs. Leverett.

Mr. and Mrs. M. S. Johnson, with the Marvin Johnson family, were guests of the Winston Grays, for lunch Sunday.

Mr. and Mrs. E. A. Henry were missing Sunday, we did not learn where they went and if they walked, drove or flew. Where ever they were, we know they were having a good time.

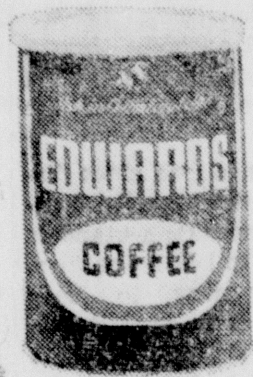

School starts today in most of the schools of this area, so it seems as if summer is over. We hope the weather can be convinced of that fact, as it has been such a long, hot summer.

Chinese gold rush workers gathered jade at the diggings and shipped it to China, leaving the gold to the Americans.

By Judy White

School:
The Old Glory Sophomore Class started off the first day of school last Monday by electing their class officers for the 1964-1965 school year. Those elected were: Francell Boles, president; Joe Mack Boles, vice president; Judy White, treasurer; Kaye Myers secretary; Stephanie Letz, reporter; and Darlene Whitson, Historian.

4-H
The Old Glory Junior Boys 4-H Club sponsored a bake sale on Aug. 29. Those assisting were Weldon Spitzer, Steve Letz, Kenneth Jones, Dewey Dudenning, Dale Letz; Cody Bridges, Russell Letz and adult leaders Mrs. Allen Letz and Mrs. Jack Jones.

The boys wish to offer their thanks to all the mothers for the cakes, pies, rolls and breads donated; and also they wish to thank those who purchased them. A total of \$33.20 was made for their club.

Appliances for Future Kitchens Told by Expert

Appliances for tomorrow's kitchens were described by a leading authority on equipment trends, during the recent meeting of the American Home Economics Association in Detroit. During the next 10 years, some 90 million women in America will own many revolutionary appliances in their kitchens. On the drawing board now, are pace setting ideas that include: Refrigerators in the round. Electric mixers powered by motors no larger than a man's thumb. Appliances incorporating ceramics, mosaics, colored glass, even veneers of marble. Portable plug-in gas appliances. Thermo-electric devices that will both heat and cool. Infra-red, top-of-the-range cooking and new methods of food preservation in the home. It is also predicted that dish storage cupboards may become extinct in the not too distant future.

As seen at the World's Fair, one "cupboard" will manufacture new plates, cups, and glasses in minutes in any quantity needed. Back in style, however, is the old-fashioned pantry. A survey among homemakers to determine what they wanted in kitchens disclosed that walk-in pantries—large enough to hold a freezer -- and lined with adjustable shelving, topped the list.

Ivory balls have not been used in official championship billiard competition since 1929 because their extreme elasticity produced an unpredictable bounce.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. —Initial post-convention plans and strategy mapped by President Johnson for the November general election campaign will bear a "made in Texas" label. "Made in Austin, Texas" would be more specific, for much of it will originate here.

The President, his nomination as the Democratic party's standard bearer secured, hurried home to his ranch to rest up and do some thinking. His visit attracted greater interest than any since his first as president, during the Christmas-New Year season.

With Vice Presidential Nominee Hubert Humphrey as his guest at the ranch, private talks inevitably turned to the battles ahead.

Gillispie County Democrats welcomed the President back to his home county with a Hill-Country-style birthday celebration and barbecue two days after his 56th birthday.

WATER CONSERVATION DROPS — Water conservation storage in major Texas reservoirs dropped at the end of last month to the lowest point since March, 1957. The 6,400,000-acre feet storage was a decrease of 700,000-acre feet from the previous month.

Texas Water Commissioner said dryland crops and pastures are suffering heavily, and municipal water supply of many small towns has "reached critical stage."

DOVE SEASONS TO OPEN — Parks and Wildlife Department announces that white wing doves can be hunted or two weekends — September 5-6 and September 12-13.

Regular mourning dove season opens in the north zone of Texas on September 1 and will run through October 30. The south zone is September 26-November 20.

A new guide to hunting regulations, "Hunting in Texas 1964," now is being distributed through Parks and Wildlife field offices and licensed deputies.

PRISON LAND — Land Commissioner Jerry Sadler's staff has completed surveys and subdivisions of 6,500 acres of prison farm land in Harris, Fort Bend and Walker Counties.

State Board of Correction will offer the 43 tracts of land for sale on December 9-11. Land is surplus to needs of the prison system, so effort is being made to get it in private hands and on the tax rolls.

Details may be obtained from the State Department of Correction at Sugarland or Huntsville.

ENOUGH BANKS? — State Banking Commissioner J. M. Falkner thinks it is time for caution in chartering new banks.

Falkner serves as chairman of the State Banking Board which grants or turns down applications for charters for state banks. State Treasurer Jesse James and Robert Strauss, Dallas attorney, are the other two members of the board.

About 100 new state and national banks have been chartered in Texas in the last three years.

Sign of the slowdown is the fact that so far this year, Board has turned down nine and granted eight applications. In 1962 it granted 18 and turned down four.

BACK TO SCHOOL — Part-time jobs are being sought and found by the Texas Employment Commission for high school students who need work to be able to stay in school.

In a drive to try to keep 60,000 high school students from dropping out of school this fall, the Employment Commission called on employers to find jobs, when the need for family income threatens to cause a drop-out.

INTEREST — Allstate Insurance Company has challenged the action of the State Board of Insurance in setting six per cent as the minimum interest rate which may be charged on notes by which payment of insurance premiums are deferred.

Board of Insurance has scheduled a public hearing for Sept. 1 on Allstate's contention that such a minimum on interest should not be ordered by the Board.

Board originally applied the interest regulation to fire insurance only, but it now extended it to all other lines of insurance.

HISTORICAL MARKERS — Within the next 90 days, 531 official historical markers will be put up on Texas highways to show Texans and visitors the landmarks honoring Texas statesmen, trails, battles, industrial sites, shipping points, towns and counties.

Markers are being put up in cooperative effort by the State Historical Survey Committee, State Building Commission and State Highway Department.

headed by Sen. Walter Richter of Gonzales, a former newspaperman, is putting out its own newspaper, designed to feed information to those working to improve the living conditions of older people. . . . A county's duty to furnish medical care for needy residents includes the obligation to employ necessary medical specialists, Attorney General Carr advised Young County Attorney Ronald D. Stephens in an opinion. . . . Western Union is closing its branch office at the state Capitol, except during legislative sessions, so Miss Cornelia Nunn retired last week — after 43 years as Western Union operator there. . . . Attorney Gen Carr announced recovery of a additional \$118,825 in a slant well suit, involving wells in Rusk, Gregg, Karnes and Jackson Counties, which brings total of recoveries to \$953,595.

Tax revenue is allocated by legislative act to old-age assistance, public schools, aid to needy blind and dependent children, farm to market roads, teacher retirement, state hospitals and state employees retirement.

MANY CARS — If you find it harder to find a parking place, here's why!

State Highway Department reports that it has licensed 5,632,373 motor vehicles this year — ranging from the 747,734 in Harris County to 184 in Loving County.

This is a gain of five per cent above last year.

HIGHWAYS — Virgil Patterson, Amarillo banker and president of the Texas Good Roads Association, will head the annual observance of Highway Week, October 4-10.

"Mobility: Your Fifth Freedom" is the theme of this year's observance, held annually to call attention to the state highway system and its needs for improvement and continued attention.

Mary Margaret Maberry and Jerry Wayne Smith Pledge Vows

Wedding vows were pledged here Sunday afternoon at 4 o'clock in the First Methodist Church by Mary Margaret Maberry, daughter of Mr. and Mrs. Willard Maberry, and Jerry Wayne Smith, son of Mr. and Mrs. Grady Smith.

The Rev. Royce Womack, pastor, read the double ring ceremony.

Nuptial music was presented by Richard Parks of Wheeler, organist, and Mrs. Bob Test of Abilene, soloist.

Given in marriage by her father, the bride wore a gown of peau de sole fashioned with fitted bodice, three-quarter length sleeves and V neckline.

Alencon lace appliques accented the bodice and the skirt with straight front. Skirt with back pleats extended to a cathedral train. A tiara of pearls

and iridescents held her elbow length veil of illusion. She carried a white orchid arranged with stephanotis on a white Bible.

Mrs. L. E. Geoffroy of Amarillo was matron of honor for her sister. Bridesmaids were Joyce Smith, sister of the bridegroom, and Gail Geoffroy of Amarillo. They wore gowns of white cotton lace over pink cotton satin styled with oval necklines and bell skirts. Head-dresses were matching pillbox hats. Each attendant carried a long-stemmed pink rose.

Muri Don Smith, brother of the bridegroom, was best man. Groomsmen were Dan Henry of Waxahachie and Walter Bounds of Center.

Mark Smith and Bob Johnson of Waco were ushers.

Reception was in the church parlor.

The bride is a graduate of Hamlin High School and attended McMurry College, Abilene, where she was a member of the Chanters.

The bridegroom, also a HHS graduate, attends Baylor University.

The couple will reside at Baylor Manor Apartments, Apt. 21, in Waco where both will be attending Baylor University.

The rehearsal dinner was held Saturday night in the home of the bridegroom's parents.

Neinda Baptist Church is Scene For Hardy-Self Wedding Aug. 22

The Neinda Baptist Church was the scene for the August 22 marriage of Gloria Lee Hardy, daughter of Mr. and Mrs. A. D. Hardy of Neinda, and Tommy J. Self, son of Mr. and Mrs. J. P. Self of Sylvester.

The bride is the granddaughter of Mr. and Mrs. J. H. Cook of Sylvester.

Rev. Frank Codington, pastor of the Neinda Baptist Church, officiated for the double ring ceremony at 7:30 p.m.

Reba Jackson was pianist and Polly Jackson was soloist.

Mr. Hardy presented his daughter in marriage. She wore a street length gown of white satin designed with full skirt and fitted bodice overlaid with Alecon lace. Her fingertip veil of silk illusion fell from a crown of illusion and pearls.

She carried a white Bible topped with orchids and and stephanotis. For something old she carried a handkerchief which her mother had carried in her wedding.

Sharon Wheat of Neinda was maid of honor. She wore a pink street length dress with basque bodice, scooped neckline and full skirt. She wore a white pill box hat and carried a nosegay of white flowers.

Bobby Self, brother of the bridegroom, was best man. Candelights were Janice Faye Hardy, sister of the bride, and Patricia Self, sister of the bridegroom.

Ushers were Autry Dee Hardy, brother of the bride, and Jackie Don Williams of Hamlin.

The reception was held in the Fellowship Hall. The table was covered with white lace over pink. Mrs. A. J. Cook of Sylvester and Mrs. Lon Hardy of Dallas, both aunts of the bride, served.

After a wedding trip to Colorado Springs, Colo., the couple established residence in Abilene, where she is attending Glen and Lottie's School of Beauty and he is employed by Hillcrest Barber Shop.

The bride graduated from McCaulley High School in May. The bridegroom is a 1962 graduate of McCaulley High School and attended Abilene Barber College.

NEWS FROM COUNTY AGENT—

By: Kirby Clayton
Jones County Agricultural Agent

Twenty Texas producers of certified seed wheat like the new variety Caddo, above older varieties, according to word from County Agent, Kirby Clayton. The twenty producers received foundation seed of the new variety in the fall of 1963 and have just reported on their 1964 harvests to Dr. I. M. Atkins, small grain section leader of the Texas Agricultural Experiment Station.

The reports came from every section of Texas, Clayton said, and practically all reported Caddo yields were equal to or better than those of other varieties grown on their farms. Yields ranged from less than 15 bushels per acre to a high of 84.3 bushels. The high yield was produced under irrigation near Spearman in the upper Panhandle and compared with a yield of 76.1 bushels per acre for Improved Triumph on the same farm.

On a Castro County farm near Dimmitt, Caddo produced 57 bushels per acre as against 42 bushels for Kaw. The 20 growers reported an overall average of 33 bushels for Caddo against a 29 bushel average for other varieties grown on the same farms.

The growers also told Dr. Atkins they liked the agronomic characteristics of the new wheat. Seven said it produced more forage for winter grazing; the same number said it had stronger straw than the other variety grown and six said it was more hail resistant. On one farm, Caddo was damaged only 8 percent by hail compared with 17 percent for Crockett. Several of the growers told

Dr. Atkins their Caddo had higher test weight per bushel and that it rusted less than other varieties — two very important considerations when selecting a desirable variety of wheat for planting.

Caddo was developed by Dr. Atkins and Dr. Kenneth B. Porter, Texas Station agronomists in cooperation with the U. S. Department of Agriculture. The agronomists pointed out that before the seed of the new variety was released to growers, tests in Texas and over the Southern Great Plains area gave Caddo a rating of excellent on yield, test weight, quality and resistance to leaf rust. It is also widely adapted, including areas in Central Texas, they said.

"Caddo" will be available to Texas growers for the first time this fall, says Clayton. Some foundation seed was planted in Jones County last year, which will make some seed available locally.

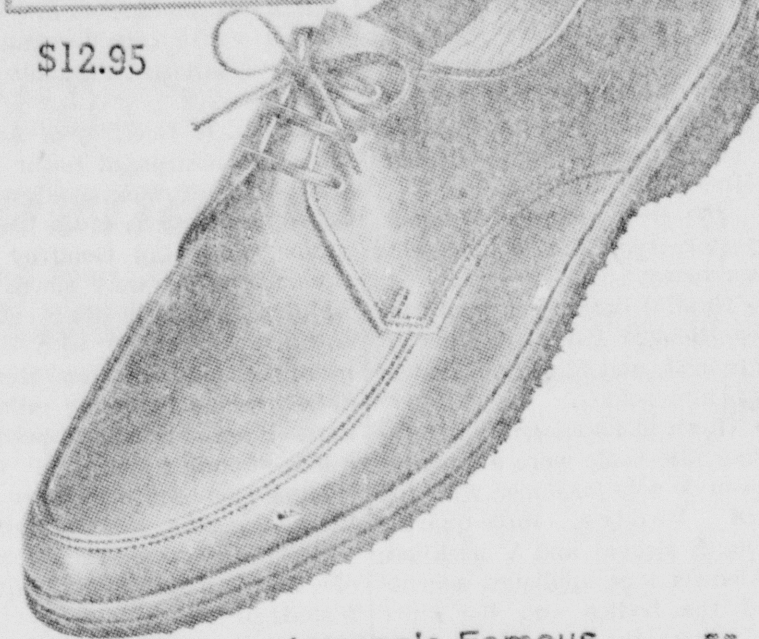

FARMERS USE 85 PERCENT OF THE HAY they produce. Normally the U. S. produces 117 million tons of hay a year, but only 15 percent of this enters commerce.

Teenagers need more protein, calcium and most all nutrients than any other time during life, due to fast growth. Energy needs also are high. Early marriage make nutrition doubly important for teenage girls.

Mr. and Mrs. Eugene Wilcox are parents of a boy, Michael Eugene, born Aug. 26 at 10:51 p.m. He weighed 15 lbs. Grandparents are Mr. and Mrs. Ulysses Lee and Mr. and Mrs. Troy Wilcox.
